

Post-Event Report: Guest Talk on Gender Equality and Economic Growth

Event Title: The Impact of Gender Equality on Economic Growth & Development

Date: Thursday, 30th November, 2025

Venue: SWSC Auditorium Hall

Guest Speaker: Mrs. Seema Luitel

Summary

SWSC hosted a highly successful guest lecture today for our management students, focusing on the critical role of gender equality in boosting economic growth. The session featured Mrs. Seema Luitel, a seasoned expert in governance and social inclusion. A total of **180 students participated** in the event, which began on time and successfully connected academic concepts to real-world economic strategies.

The program started exactly as scheduled at 1:15 pm and maintained a professional pace throughout. Mrs. Luitel delivered a dynamic presentation, moving beyond a traditional lecture with interactive activities and discussions. This approach kept the audience engaged and helped them understand complex topics like empowerment and productivity. Following the expert talk, our esteemed Program Director, Mr. Tikaram Mahara Sir, shared valuable thoughts and reflections on the topic. His address reinforced the institution's commitment to inclusive development and added significant weight to the discussions held.

The event concluded with a formal felicitation ceremony, where Mr. Mahara presented a token of appreciation to Mrs. Luitel as a gesture of our gratitude. This was followed by a group photograph of the speaker, faculty members, and students, capturing the successful collaboration and engagement of the day. Feedback forms collected immediately after the event indicated high levels of satisfaction. Comments highlighted the speaker's clarity, the practical relevance of the topic, and the smooth execution of the program.

Conclusion

The guest talk by Mrs. Luitel was a valuable academic experience for the SWSC community. The success of this event marked by its punctuality, high interaction, institutional involvement, and excellent feedback reinforces the importance of inviting industry experts to our campus to inspire our students.
