## MESSAGE FROM THE CHAIRPERSON

Er. Basudev Bista

"Education breeds confidence. Confidence breeds hope. Hope breeds peace." - Confucius

Dear Guardians and Students,

Warm greetings from SWSC.

I am very thankful to our dear students, parents, teaching/ non-teaching staff, management team, and all the well-wishers for supporting SWSC to achieve this apogee of academic excellence.

As a leading academic institution, we are committed to creating the best promising

intellectual community for world-class teaching with a distinction. We offer innovative and the best practiced learning environment for the students with abundant resources and infrastructures.

The changing world of the 21<sup>st</sup> century has a dire need for industry-relevant education. We provide our students with a holistic learning experience for life equipping with practical skills and vision rather than engaging only in the mere curriculum. Hence, our endeavors are aimed to craft and build the youths for the future.

We believe that we do not have to be great to start, but we have to start to be great.

Let's join hands together to materialize this vision.

Best Wishes!

## MESSAGE FROM THE CAMPUS CHIEF

Dear prospective students, warm greetings, and welcome to SWSC.

SWSC, run by a team of national and international academic leaders, has now proven itself as one of the leading educational institutions in Nepal. We educate our students to develop their creative and critical thinking capacity to solve the practical problems in life. We also educate them about the ways of planning and proper utilization of time making them realize its value in life.

We never compromise for quality education. For that, we provide all necessary resources, research environment, practical knowledge and required equipment for our students and faculties. We prioritize group discussions, presentation skills and life skills for personality and career development of our students. As our faculties are focused on helping every student achieve their goals in every single

Dr. Rajendra KC

step personally and academically, our students have been able to compete successfully in national and international academia and job markets and secure a good future.

We are passionate about grooming our students not only as professionals but also as good human beings with moral values and ethics. We always feel proud of SWSC alumni who are leading Nepalese companies, corporate houses, and pursuing higher studies in renowned universities from home and abroad.

I look forward to welcoming you at SWSC as a member of our family.
